

We are Kallidus

Kallidus is here to unleash the potential in people. Our aim is to create outstanding products that deliver market-leading customer experience. And, as a result, improve the performance of both individuals and the organisations they work for.

We are one of the UK's fastest growing software companies. Our solutions support the entire employee lifecycle, from recruitment to training to performance management- and with more than 40 industry awards, we believe our software is the best in the industry.

Right now, we're in a hyper growth phase and we're planning to expand from around 150 people to 500 over the years ahead. It's a fantastic opportunity to develop your career. Are you ready to unleash your potential?

Life at Kallidus

People are at the heart of everything we do and the key to our success, so it's important that we recruit individuals who share our values. Curiosity, integrity, collaboration - these are the values we live by. You need to be driven to ask questions and to find out why. You need to be true to your word. And you need to be proud to be part of something bigger, working with others will come naturally to you.

Once you join us we'll help you develop and grow in a supportive environment, as part of a close-knit team that likes to have fun. Our open and welcoming offices are not only a great place to work but somewhere to build careers and lasting friendships.

Can you see yourself helping us take our growth to the next level? We invite you to come and discover for yourself the exciting future ahead of you.
